

Versatility

From diced to pureed and everything in between.

The Robot Coupe R301U Dice provides you with

unmatched versatility that can handle just about any food prep need you may have — all in one machine. The R301U Dice slices, dices, shreds, grates, juliennes and French fries with its vegetable prep attachment; and, mixes, chops, purees, blends and kneads dough in its bowl. Put the R301U Dice to work in your kitchen and see what real versatility can do for you.
